

SCIENTEX CONFERENCES

Where Holistic Knowledge Blooms

Tentative Program

2nd International Conference on **Gynecology and Obstetrics**

May 13-14, 2024 | Bangkok, Thailand

 (+1) 202-773-8420

 gynaecology.scientexconference.com

 gynaecology@scientexconferences.com

Venue

**GRAND MERCURE BANGKOK ATRIUM
BANGKOK, THAILAND**

Bangkok, Thailand's capital and city that never sleeps, is a trendy mash-up of diverse cultures and religions. Temples and monasteries coexist peacefully here close to towering skyscrapers. Street bazaars and floating markets compete with luxury shopping malls and purchase centers. Thailand is the 12th largest country in Asia, with a total size of over 198,000 square miles and a population of 67.9 million. The majority of foreign visitors to the country travel to Bangkok, one of the world's top tourist destinations. Thailand experiences both the summer and winter monsoons due to its location between substantial areas of land and water. The typical temperature in Thailand ranges from 18 to 38 degrees Celsius. In Thailand, cancer is the top cause of death, and mortality is rising. Therefore, it would be essential to adhere to and share any future study into the treatment of cancer field in order to recommend advancements.

[Guide for Visit](#)

Citizens from the United Kingdom, USA, Australia, New Zealand and most Western European and much Eastern countries are entitled to a free, 30-day extendable visit visa on arrival.

Event at a Glance
